The course

A 12-month blend of flexible online learning, online discussion, virtual workshops and face to face workshops. This is followed by an 8-day assessment window where you will complete a 1500-word case study assessment to demonstrate your understanding of real leadership and change.

This completely new **Specialist NPQ** has an evidence-based curriculum design, connecting you to the latest research and best practice. Our research-rich course covers all of the core content in the **government's Framework** for this qualification and this is aligned with core themes around: effective communication, creating change, working with teams, and managing yourself. Key areas include:

- Understanding the new, Early Career Framework including effective teaching, how pupils learn and how to implement that within classrooms
- Weaving together curriculum, assessment and adaptive teaching to lead coherent improvement
- Professionally developing others, creating change and supporting school culture

Benefits for your school

- A skilful and research-informed professional who can lead a team's improvement in teaching, learning, curriculum and assessment
- Practical capability to get on with the job of developing others with the skills to lead with people and teams, creating change and impact
- A professionally aware and informed leader who can make evidence-based decisions and approach leading teaching in an effective and efficient manner
- The ability to review and evaluate practice in order to bring about change and get the best outcomes for young people and staff within the organisation
