

School Improvement through People Development

Helping you create a thriving, research-rich
school improvement culture that sticks

**The national charity for
effective professional development
in schools and colleges**

Even the most successful school leaders can find themselves pouring ever-more effort and ideas into their schools only to be met with change fatigue.

Our experts have helped 100s of school leaders like you to gain the insights, support and confidence needed to overcome these barriers. We use our expertise and research to help you to identify and successfully embed carefully-designed changes, powered by the growth of your people, that make your existing improvement plans work more effectively.

Our Packages

1. TDT Diagnostic Tool

Benchmark your school against 7 domains of People Powered School Improvement and reveal insights that unlock effective change:

Our collaborative and rigorous process uses an evidence-based framework underpinned by practices from the most effective schools. It helps you map your knowledge against anonymous staff survey results, while your expert coach triangulates this with staff interviews and policy reviews.

Following the review, our expert coaches work with you to create a long-term change plan; identifying, implementing and embedding sustainable steps to achieve staff buy-in and to put effective people development at the heart of school improvement.

“

Wellacre has used the TDT's tool to further help develop the school by continually improving the effectiveness of staff professional development.”

Melanie Wicks,
Headteacher, Wellacre Academy

“

The TDT Diagnostic Tool helps to cut through all initiatives and helps you prioritise what's important”

Michael Watson,
Headteacher of Hunter's Bar Junior School

2. Coaching

Build confidence, clarity and momentum with your TDT Coach. Your termly support calls ensure that you can reflect on your plans, solve problems, find and use the right tools from your TDT membership and learn with other schools.

Design and evaluate your progress, using TDT's change and impact framework.

3. Portal modules

Short, online modules that guide you and your colleagues through understanding and implementing effective approaches to people-powered school improvement.

Key topics include senior leadership of professional learning, middle leadership and governance.

4. Capacity-building programmes

Collaborative Enquiry training

Stimulate enthusiasm, curiosity and critical reflection in your staff and embed research-informed thinking. Our programme walks you through the creation of a rigorous and carefully structured approach to teacher enquiry that balances individual autonomy with school and team priorities.

This programme comprises three half-day inputs from an expert trainer, online learning and toolkits and carefully-designed gap tasks.

Pedagogical Coaching

A powerful way to improve teaching & learning. Build a team of trusted pedagogical coaches who are welcomed into classrooms to help staff review and improve practice.

Our model balances the need for rigour with the need to build confidence and ownership of learning.

This programme comprises three half-day inputs from an expert trainer, online learning and toolkits and carefully-designed gap tasks.

Leadership programmes

The Associate Qualification in CPD Leadership is a 6-month intensive course designed to nurture future school and national champions of professional development.

You will critically engage with leading research and experience best practice first-hand, creating a robust CPD plan for 2022/23 that aligns with the DfE CPD Standards.

Now running into its 7th cohort, our flagship programme comprises three taught days of input, coaching and gap-tasks including literature reviews and organisational diagnostic reviews that culminate in the writing of a 7000-word assessed portfolio.

About us

We are a UK public charity founded by teachers and school leaders. We campaign to change the system - we believe that great staff development culture helps teachers thrive and children succeed. We commission research, we campaign for better development and we advise the government on policy.

Impact includes:

- Developing Great Teaching research
- DfE-funded CPD Excellence Hubs
- Helping set up the Chartered College of Teaching
- DfE CPD Standards
- Developing a system of CPD QA

Meet some of our team:

David Weston,
CEO of Teacher
Development Trust

Chair of the DfE CPD Expert Group, co-author of *Unleashing Great Teaching: the secrets to the most effective teacher development* and co-facilitator of the *TDT Associate Qualification in CPD Leadership*.

Gareth Conyard,
Director of Education at
Teacher Development Trust

Gareth worked for the Department for Education on a range of policies from early years to higher education. Most recently, he led the development and delivery of the Early Career Framework and reformed National Professional Qualifications.

Sharon Ealing,
Teacher Development Trust
Expert Adviser

Sharon was Lead Practitioner at Coleshill Heath Primary school in Solihull where she led Professional Learning, Development and Research. An expert in mentoring, Sharon also led the school's work in mentoring beginning teachers and Early Career Teachers. She has taught in both mainstream and specialist settings as well as teaching in North Carolina.
